# The following changes have been made in version P035.

- 1) The Add Student page has been changed.
  - a) The word "Student" has been added to the description of the SSN field.
  - b) A "Confirm Student SSN" field has been added.

**Add a Student**

Enter the following information for the student

Last Name\*

Facility Code\*

Student Has No SSN

OK Cancel

This is being done to reinforce that the Student's SSN should be entered, and to try to lessen the input of incorrect SSNs. Additional help text has been added on this topic.

Copy and paste will not work in the Student SSN or Confirm Student SSN fields.

**Add a Student**

Enter the following information for the student

Last Name\*

Facility Code\*

Student SSN\*

Confirm Student SSN\*

Student Has No SSN

OK Cancel

Re-enter the social security number here. Please be sure you have entered the correct number in both Student SSN fields before clicking OK.

**Add a Student**

Enter the following information for the student

Last Name\*

Facility Code\*

Student SSN\*

Confirm Student SSN\*

 Student Has No SSN**OK****Cancel**

If the Student SSN and the Confirm Student SSN fields do not match, a pop-up will appear asking you to make a correction so that the two SSN fields match.

Please be sure to verify the SSN with the student.

2) A change has been made to the automated message that is sent for the termination reason "graduation".

Previously the message read:

A Termination for the period beginning on 01/09/2012 and ending on 05/07/2012 has been submitted to the VA. This was submitted by a certifying official from the CENTRAL COMMUNITY COLLEGE - OFFICE OF VETERANS AFFAIRS on 6/7/2012. Your claim will be processed in the order it was received. Please do not respond to this message.

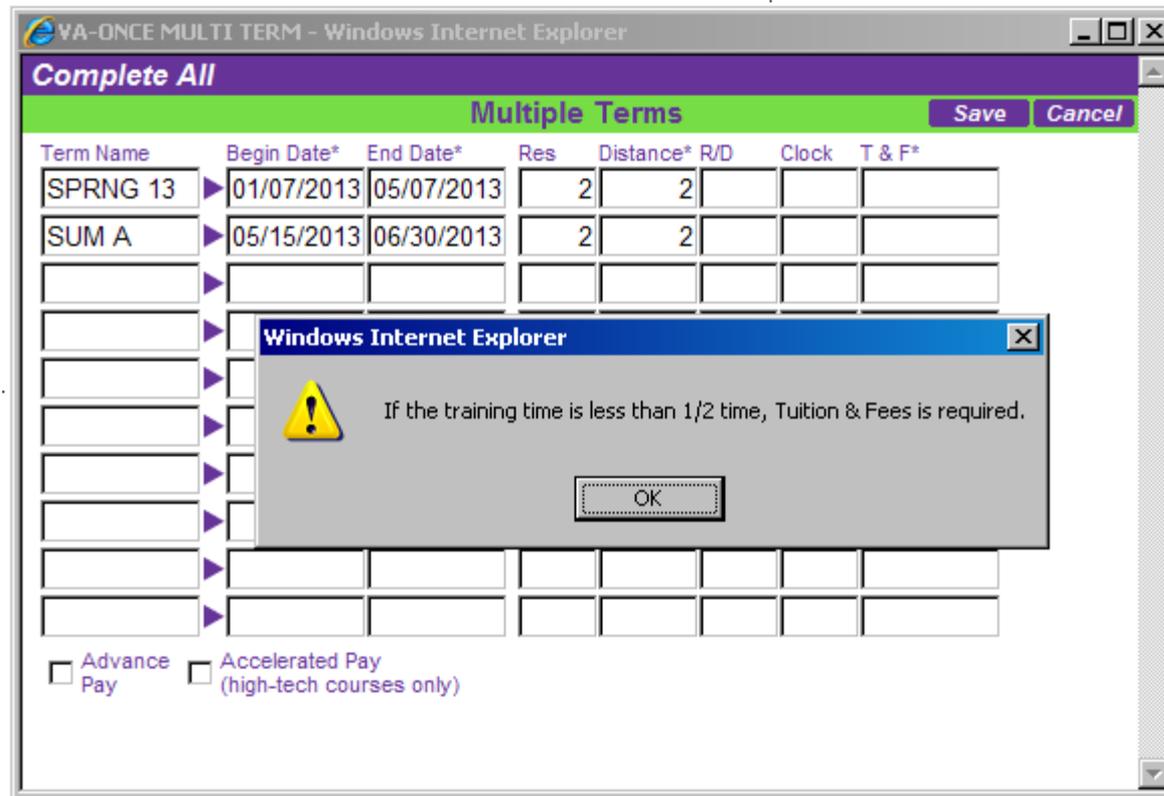

It will now state:

A Termination **for the reason Graduation** for the period beginning on 01/09/2012 and ending on 05/07/2012 has been submitted to the VA. This was submitted by a certifying official from the CENTRAL COMMUNITY COLLEGE - OFFICE OF VETERANS AFFAIRS on 6/7/2012. **Congratulations on your accomplishment!** Your claim will be processed in the order it was received. Please do not respond to this message.

*Text will be all black. Text in red is only to highlight the change.*

Your school must be set up to send automated emails when a certification is submitted for this email to be sent.

4) An edit has been added to the "Multi-term" window to require tuition and fees when the training time is less than 1/2 time.

5) An error that occurred when adding a new certification, while the highlighted certification had zero hours and blank tuition and fees, has been corrected.

6) Permanently deletes all students in the deleted status that have not had a certification submitted.

7) Permanently deletes all schools in a deleted status with no students and no School Certifying Officials.

8) A new VBA Standard Remark has been added –

“Correcting Tuition And Fees Only”

*Note: This was added based on a review of common remarks sent by School Certifying Officials. It is NOT needed for the processing of the case, but was added as a VBA Standard Remark so that automated programming could recognize it and continue.*
